At Always Invited Event Rentals, we have combined the most **essential** items into packages. While we know not everyone has the same taste, clients do like the **simplicity** that the packages offer. Although the packages do not offer omissions or reductions, they are simple and they do not lack variety.

All of our packages will give you the **option to choose** your plate style, cutlery design, glass size, and linen colors.

We feel that you are **unique**, our packages are customizable and will reflect **your own personal style**.

We have also done the calculations that will sit guests comfortably. This means there are no guests sitting at end of tables or squished in at round tables. However sometimes space is a premium and that is what needs to be done.

We invite you to our showroom to view what the seating would **actually** look like and your decision will be an informed one.

No need to upgrade—The choice is yours. And rest assured **all** of our pieces are **top quality** china and the highest grade of 18/10 stainless steel.

Linen is never catering quality.
Tables are the new industry standard, lightweight durable resin.

No one can resist **great discounts** and these packages deliver that and more.

The Choice is Yours
&
We Don't Charge Any Extra

We can't give Always Invited a stronger recommendation. We rented decorations for our wedding and were so happy to have rented from here. The service is fantastic, the prices are very competitive, we were very impressed with the service. Also Always Invited's organization made it so easy and convenient to pick out, pick-up, use and return the rental items. When we visited the store, we had an idea of what we wanted our decorations to look like, but Tami spent a couple hours with us setting up mock-ups to help create our centrepieces and head table decorations until they matched our vision exactly. We were able to take photos of these mock-ups. These photos made it really easy for our family and friends to help us with our reception set-up, and the labeling system on the totes made it really easy to make-sure that all the decoration items made it back to the store. Lastly, Always Invited prices seem to be the lowest in the area (in some cases, they are less than half of the competition). Thank you Tami and staff! Kevin & Linsay

PERSONALIZED TENT PACKAGES

1640 sq ft
Hex 34 x 40 with 10 x 20 and 20 x 20 configuration

When considering renting tents there are a number of factors that you should consider.

Seating at tables is something that should be well thought out. If you are having a sit down dinner then you should have enough chairs at the table to accommodate.

At Always Invited Event Rentals our packages have been calculated to provide a place at a the table for **everyone**.

There is limited amount of space and we suggest allowing guest some elbow room.

We have also done the calculations that will sit guests comfortably.

- 72" round table seat 10
- 60" round table seat 8
- 8' rectangle table seat 8
- 6' rectangle table seat 6

At the round tables you can squeeze in more settings and rectangle tables can sit guests at end of table but we invite you to our showroom to view what the seating would **actually** look like and your decision will be an informed one.

The extra settings are easy to add to any package you choose.

We find not all clients want tent walls so we do not add them to packages, however you do have the option to add tent walls French Window or Solid for an additional price plus a 10% discount

The Marquee tents are set up and taken down as part of all rentals. Be sure that you have enough space for tent. If you have a septic field, sprinkler systems or any other underground obstruction, it is important to know their location as the tent pegs are approximately three feet long. Also if there is any overhead obstructions like trees or wires. Always Invited can provide a site visit for an additional fee.

The Dance Floor is the responsibility of the renter to assemble and disassemble. Always Invited staff can assemble and disassemble the Dance Floor for an additional fee and advanced notice. However, our floor is an easy snap lock system that requires no tools. To set up, first the sub floor **must** be placed on a level surface, a subfloor helps with levelling and adds spring to dance floor. Then the Dance Floor is placed on top of sub floor.

Packages that contain Halogen style lighting, Always Invited installs for no extra fee. For a reasonable fee, we can install café & rope style lighting.

A Delivery Fee will applied to all rentals and charges will vary with destination and amount of items.

There are many options and decisions when it comes to selecting a tent. We offer a variety of sizes and they all can be joined together to create the perfect space you need. With our expertise and your vision we will guide you through the process.

On what kind of surface will the tent be placed? Grass, concrete, asphalt, wood deck?

Dimensions of tent site? How much space do you have?

How many people do you wish to accommodate and in what configuration? All seated at tables, partial seating, cocktail party setting?

What style of tables, round or rectangle?

What other items would you like to have under the tent? Buffet, bar, cake table, dance floor, stage, etc.?

What time of day will your event take place? Will you need lights and/or heat?

Is there a power source at the site? What are your power requirements?

Do you wish to enclose any portion of the tent with tent walls?

Will you need accessory tents for caterer's prep station, beverage service station, dance floor, or musicians?

Every thing went smoothly with renting all the things I needed to make my special day even better.. Everything I had asked for was ready to go for a family member to pick up. I loved the staff and the fact that it was affordable for my small rustic style wedding! Thank you so much for all of your help! Jessica

Hi Tami (and team),

We wanted to thank you and your team for not only providing us with our rentals, but helping us create our vision for our wedding day. It all came together perfectly and made for a beautiful wedding. You were very helpful throughout the process and always quite patient (even with all our questions). Being able to walk in any day or give you a call, made us feel at ease. We really enjoyed being able to create a mock wedding venue (backdrop, table setting, etc.), which aided us in making the right decisions for our day. Your entire team is super organized, friendly and always willing to answer questions and help make our day amazing.

Once again, thank you for all your support and for being awesome! Sid & Megan
